I think it's not up to Alex who's the POC for ORD, is it?

If they're going to try to push this through, an option is to put a placeholder name of someone who had nothing to do with the assessment.

We are keeping Samantha for ORD and adding and OCSPP contact who will be Todd Stedeford. That way there's two POCs. Thanks.

Thank you, Angela. I know it's late in the game; we've been having exchanges on other FRNs as well.

One additional point that Jennifer made is that Samantha Jones is not a POC for this document and we need to identify someone else.

Hi Mary et al,
Although there is no dedicated ORD docket per se, there is a specific docket manager that is assigned to ORD, who manages the docket process for ORD materials. The list of docket managers is here <https://intranet.epa.gov/fdmsinfo/contact.html#docketmanagers>, and it looks like we share the same docket manager - here is the docket manager for ORD. Never the less, we have different procedures (e.g., required CBI reviews, forms, etc), so

that manager will instruct you on what ORD needs to do – which isn't likely to be the same as what we require for our materials.

<image002.jpg>

I registered the document in the OP system (FR Dailies) used for FRLs and to submit to OP for publication processing. Here is the FRL number to use on the document: **10020-01-ORD**.

I called OP, and here is the person you need to work with to get the FR signed and submitted: **Mary Manibusan**. (Caryn Muellerleile is the desk officer).

So, with that provided, I think it is also important to point out that it may be too late for this document. OP will confirm whether this is something they can get signed & processed.

Hi David. I have seen a lot of docket numbers and FRLs but I've never requested one myself and I am not sure who knows how to do it in OSAPE. I'll need to ask around. '

Can OSCPP get a docket number and FRL quickly?

Thanks.

Mary and Lou,

Attached is the draft NOA FRN for the PFBS assessment. I have made very minor edits.

Mary could you please address the docket # issue and verify the contact person and information.

We need this basic info first thing in the morning.

I could not access the share drive version. Not sure if it makes a difference regarding which one I edited.

Thanks

Here is a first draft using only the mark-up I
received from you last Friday, and an old ORD
notice Peter found on the web.

We assumed this is a simple announcement of the
final tox assessment, so we kept the FR document
very short and pulled language directly out of that
mark-up. ORD will need to add the following:

- ORD Docket ID #.
- ORD FRL #.
- For Further Information Contact Info: As a
comment, we included the POCs that were
in the NOA that Peter found. Otherwise we
just provide a template for one contact.

It is set for the Administrator's electronic signature.

Attaching as a shared file and as an attachment.

Hope this helps. Let us know if there are other
questions we can help with.
